# Message from our CEO

We proudly welcome you to navigate through our new catalogue,

ONE Light 2023 – Edition 1.

As you go through the pages of our 2023 catalogue you will find our new items including the new family of magnetic system and many new designs.

In 2022 we began cooperation with more than 40 new distributors worldwide and have entered 6 new markets, Azerbaijan, Georgia, Kenya, South Africa, South Korea and Vietnam.

Also, we have introduced our new shipping system with DHL as a strategic partner. This has dramatically increased our delivery speed allowing customers to receive orders within 72 hours from time of order.

This year we have introduced the following:

- Upgrade E-shop ordering system where all our distributors can make orders online, check outstanding orders and account statements.
- Quotations system where distributors can create quotations for their customers including pdf creator with photos and links.
- IES files for all our products.
- Available through our E-shop excel file download with complete specifications for all our products.

We sincerely thank you for your trust and support and we promise to keep our ongoing passion for improvement.
